Winter Maintenance Reminder

With winter here, it's important to check your exterior hose bibs. Ensure they are properly protected and free of leaks to prevent freezing and potential damage. Taking this step now can save you from costly repairs later!

Wheel of Thanks

Dates: November 18–22, 2024

Time: 9:00 AM – 4:00 PM

Location: Vance Family Housing Office

Show your gratitude and test your luck with our Wheel of Thanks! Stop by the Vance Family Housing Office between 9 AM and 4 PM to spin the wheel and win a prize. It's our way of saying "thank you" for being part of our community. Don't miss out on the fun!

MAINTENANCE TIPS

Heater Start-Up Reminder

When you turn on your heater for the first time this season, it's normal to notice a burning smell. This happens as dust burns off the heating elements.

TIP: Open your windows for a few minutes while running the heater to let the smell dissipate. This will only happen during the initial use, and your home will be warm and cozy in no time!

If you have already contacted our local Management and Housing office team and are not satisfied with the outcome, or if you have words of praise to share, we encourage you to reach out to our senior management.
